Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look particularly great in any room for storage. This is in one piece so if it is to go upstairs your staircase would need to be straight with no turns. It is also very heavy so I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one door that has two panels and stands on its original victorian metal pin hinges. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. There is a key to lock the door. The top has a standard graduated cornice. Please buy with confidence as you dont get many only 83cm wide. The height is 197cm, the width is 83cm and the depth is 50cm.
