Description

A fabulous antique Bidjar rug, hand woven circa 1900, possibly a little earlier. The design features a large hexagonal medallion on a plain (ish, more of which later!) camel field surrounded by an indigo border and wonderfully random inner border. I have seen many rugs with figures but this is the first with what appear to be a couple of scorpions! Size: 2.22m x 1.24m (7ft 4in x 4ft 1in) This rug is in good condition with light, age related wear, very slightly heavier on a section of the border (see photos). Fringes and selvages are secure and it has been professionally cleaned. Free worldwide shipping.
