Description

These fantastic late Art Deco earrings have a slightly rosy colour gold which beautifully complements the large faceted amethysts. They are finely made with lovely crisp detail and design typical of the period, with geometric Art Deco shapes transitioning into more sculptural scroll-like forms. At time of writing I also have a matching ring, see photos, drop me a line if you're interested :) • Condition: Excellent vintage condition. • Fixing: Large nine-carat gold butterfly scrolls. • Hallmarks/stamps: None found. The metal tests as at least nine-carat (375) gold. • Era: Estimated late Art Deco, c.1930-40s. • Size: 3.9 x 1.6cm, the amethysts are approximately 9 x 11mm. • Weight: 12.2g.
