Rare silver pin cushion in the form of a clog

Price

**GBP 295**

| USD \$398 | EUR 345

**Item Reference: SA1218641**

**Date of manufacture: 1920**

## Description

This silver pin cushion in the form of clog dates to 1921 was assayed in Birmingham and carries a makers mark which may be for Gorham & Co, the American silversmiths, there is another very similar mark for G Mills & Co, although this maker has a slightly different outline.? Registered design number 497197. The base is wooden and has lovely detail with the pins and rim that clogs would have had at the time. The condition is used, original pad to top, please study the photographs. L 10 cm W 3 cm
