Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It is in one piece so if it is to go up stairs your staircase needs to be straight with no turns. It is very heavy and I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two doors. The doors have a smaller bottom panel and larger top panel with a moulding around the edge. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. To the bottom inside is a drawer with ceramic handles, dovetail joints and is pine lined. There is a key to lock the door. The top has a standard graduated cornice stepped to the corners. There are fluted columns and carved corbels to the sides. The height is 174cm, the width is 110cm and the depth is 51cm.
