Description

A superb pair of silver wirework condiment tubs from the elegant Edwardian period. These delightful, matching pair have the original fitted Bristol blue glass liners and stand raised pedestal bases. The wirework frame supports the decorated rim and each is finished with applied drapes and swags, featuring attractive floral motifs. Very much in the Georgian style, these wonderful Edwardian examples would grace any table, with their excellent capacity for a variety of condiments, sauces etc. making for a great addition to any home. Dimensions below. Dimensions below.
