Description

Vintage Triple Strand Cultured Pearl Necklace 9ct Gold Pearl Clasp 1960s A beautifully elegant triple strand cultured pearl necklace dating from the 1960s, showcasing timeless sophistication and wonderfully feminine charm. Comprising three strands of beautifully matched cultured pearls, each individually hand-knotted for security and graceful movement, this striking necklace drapes beautifully around the neckline. The pearls display a lovely creamy ivory tone with delicate pink overtones and a soft, even lustre that flatters every complexion. The necklace is completed by a delightful 9ct gold floral cluster clasp, set with a central pearl surrounded by a further eighteen pearls in an attractive openwork design. The clasp is sufficiently decorative to be worn at the front, side or back, offering several elegant styling options. Recently restrung in June 2026, the necklace remains in excellent condition and is a superb example of the enduring appeal of mid-century pearl jewellery. Equally suited to formal occasions or everyday elegance, it is a timeless piece that will never go out of style. This fabulous necklace looks stunning when worn. Details Triple strand cultur...
