## Description

An arts and crafts style church pew c1900, made from pitch pine with an elegant open back design and shaped sides. There is a little shelf on the rear side hidden under the seat where bibles would have been stored. Ideal for a hallway or as bench seating at a dining table. Condition: Good solid condition. This had been rather badly stripped when we acquired it - we have re-finished as best we can but there are still some areas that feel a little rough where the grain has been raised, and some darker patches, mainly on the seat. Dimensions: Width - 179.5cm Depth - 52cm Height - 81cm Seat height - 44.5cm Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer.
