Description

An early 20th century Black Forest-type carved musical fruit bowl, playing two airs. It has a lovely wide bowl with a beaded border and it stands on a pedestal base with three small feet. It has its original paper label underneath, winding key and starting switch. Once wound and turned on, the bowl automatically starts playing one track when picked up. The bowl has a lovely rich colour and it plays beautifully. It is in good solid order with no cracks or damages. It has been lightly cleaned and polished and is ready for use. Approximate Measurements : Height : 3 1/4" / 8cm Diameter : 12" / 30cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
