Description

* Reduced to reflect 20% Sale on our own Website * This stunning Louis XIV style bed has incredibly attractive shaping in both the head end and foot end with the foot featuring a uniquely shaped upholstered centre. The whole frame is brimming with detail with gorgeous carving throughout featuring classic interlocking geometric patterns and florals. The posts have very nice fluting and foliate carvings with particularly attractive carved finials. The side rails are also upholstered and feature the same carving as seen on the bottom of the foot end. The upholstery is perfectly usable, and in good condition, the siderail upholstery has a few minor marks, which shouldn't be seen when the bed is dressed. We can re-upholster in fabric (supplied by the customer) for an additional £650. All in all, a truly stunning bed and a fabulous example of the skilled craftsmanship of the era. We have cleaned, restored and extended the siderails to ensure a beautiful, solid and sturdy bed. This bed is suitable for a UK modern King size mattress 150cm x 200cm. Whole bed has been cleaned, checked and sympathetically restored to ensure solid, sturdy construction and good assembly. Head ...
