Description

A charming little antique rug, woven in the Karabagh region of the Caucasus mountains at the beginning of the 20th Century. The rug features an all over design of large, interconnected flower heads on a deep indigo field surrounded by a lighter blue border. Some wonderful secondary colours of reds, pinks and golds make this a fabulous little rug. There is a date woven in the rug but I can't manage to decipher it! Size: 1.47m x 1.01m (4ft 10in x 3ft 4in) This rug is in good condition with light, age related wear. There is an old repair to the side which, I suspect was done to straighten the rug - very well done & barely noticeable (see photos). Fringes and selvages are secure and it has been professionally cleaned. Free worldwide shipping.
