Description

A carved oak panel with high relief carving depicting the cross being attended by five putti. It is in original condition with no restoration. There are losses to some of the putti and also to the side of the panel. This in no way spoils the piece which has a look and feel of ancient antiquity. Possibly Italian and circa 1670-1720. We can deliver free of charge in UK mainland and can calculate the cost for international delivery. Payment by bank transfer or Paypal.
