Description

Beautiful Art Deco 18ct Gold Ruby and Diamond Ring. Very pretty daisy ring consisting of 8 excellent coloured pink red rubies 2mm x 2mm. At the centre is a 4mm diameter bright brilliant cut diamond 0.20ct with a slight yellow tint to it. The total face of the Ring measures 10mm x 10mm. Would make a wonderful classic ruby engagement ring or pretty dress ring. Ring is in overall superb condition, the stones have no chips and the shank is strong. Shank is hallmarked for 18ct gold and it most certainly dates to the late Art Deco era, probably the 1940s or 50s. This ring is size UK i and US 4 3/4 which is quite small but could be resized for a small fee. Weight 2.8g Photographs are ZOOMED with x5 magnification. SO Please Check Sizes And Weights before purchasing as JEWELLERY IMAGES ARE ENLARGED!! Dark areas are reflections on the gold. Buy With Confidence: I try to accurately describe my items. I never knowingly mis-sell any item, so please read the description carefully. All items are checked by a professional Jeweller for authenticity; however no certificates are provided. If for any reason the item is found not to be genuine or as described a full refund will be given...
