

SA1219251

A rare pair of Nineteenth Century Staffordshire Pottery Maltese Terriers

Price

GBP 110

| USD \$149 | EUR 129

Item Reference: SA1219251

Date of manufacture: Victorian

Description

Well modelled pair of Staffordshire Maltese dogs with good expressions, gilt collars and tags, leaning on a fence. Staffordshire dog pairs - usually found on mantelpieces - were seen as symbols of fidelity and companionship. Dimensions 16 cms x 16 cms Dog on the right front facing, in very good condition Dog on the left front facing, with a hairline crack across the chest running to the back, and crack on the jaw.
