Description

A Nice Antique Edwardian Silver Plated Basket formed as a shallow bowl on a small pedestal foot with an elegant swing handle. The rim is deeply moulded and scalloped, with alternating panels of raised floral repoussé and shell-like fluting. Scrolling foliate terminals and decorative piercings at the edge give the piece a richly ornamental, late Victorian feel. The handle is slender and arched, finished with beaded detail that adds refinement and helps it sit comfortably in the hand – circa 1905. * Used as a fruit or bonbon basket, it brings a formal dining-room note to everyday service. Measurements: Height (handle up): 9 1/2" (approx. 24cm) Width: 11 1/2" (approx. 29cm) Depth: 9" (approx. 23cm) Total weight: 700g In good condition – The silver plated surfaces show only light surface wear consistent with age.
