Price

GBP 6,800

| USD \$9,202 | EUR 7,957

Item Reference: SA1219341

Date of manufacture: 1950

Description

An incredible vintage emerald and diamond cluster ring. The glowing emerald in the centre - certified as Colombian and showing evidence of only negligible oiling - is internally clean and displays a fresh, verdant green. The stone is surrounded by 12 eight-cut diamonds in a square, platinum coronet cluster setting. The decorative hand-engraving in the gallery adds detail simply not found in modern jewellery. Accompanied by an emerald report from The Gem & Pearl Laboratory stating the emerald shows evidence of negligible clarity enhancement, and is Colombian in origin. Cut: Square step-cut emerald and eight-cut diamonds. Colour: The diamonds range between H and I. Clarity: The emerald is eye-clean. The diamonds range from VS1 to VS2. Carat: The emerald is 0.89 carat. The total approximate diamond weight is 0.36 carat. Circa: 1950. Size: N 1/2 (UK) or 6 3/4 (US). Free sizing available. Measurements: The emerald is 5.5 x 5.5mm. The head of the ring is 13.65 x 13.25mm and sits 8.1mm from the finger. Weight: 8.88 grams. Metal: 18k yellow gold and platinum. Tested with a Niton DXL Precious Metal Analyzer. Video: To view videos of this ring recorded in d...
