Description

Northern Townscape Oil Painting Vintage Antique Industrial Manner of Fred Yates Brief Description: This is a fabulous, original mid-20th-century Vintage Oil on Board Painting depicting a bustling Industrial Northern Townscape. Painted very much in the manner of both Fred Yates (1922 - 2008) and Stephen Lowry (1887 - 1976). The wonderful image portrays the industrial town with stickman-like figures busying themselves among the many factories and other buildings, including the town's church. The attention to detail is superb, with a beautiful thick impasto texture across most of the artwork. Signed by the artist in the lower right corner: 'Mia Blair' Attributes: Oil & Impasto on Board British, Northern School Signed: 'Mia Blair' Circa: 1950-1955 Unframed Condition: The painting is offered in an overall exceptional original condition.
