Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look particularly great in any room for storage. The cupboard stands on square back legs and splayed victorian front legs supporting the main section. There is a large drawer to the bottom with round turned wooden knobs, dovetail joints and is pine lined. There is one door with one panel that is arched to the top and with a lovely moulding around the edge. The door stands on its original metal pin hinges. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. There is a key to lock the door. The top has a graduated cornice that is arched to the top. The sides have angled corners. There are carved motifs to the top. The height is 180cm, the width is 96cm and the depth is 48cm.
