Description

A good example of a solid silver quaich. The round bowl has beautiful pierced floral decoration and two traditional flat handles decorated with cherubs. It is a good quality piece, weighing approximately 122g. It is hallmarked for London, 1902 and the maker Matthew John Jessop. It is in very good condition for its age. There are no major damages. There are some faint surface marks, small spots of tarnish and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and displays beautifully.
