Description

A lovely miniature oak chest of drawers, dating from the early 20th Century. It is a charming piece with four drawers, each with their original turned wooden knobs and it stands on a traditional plinth base. It is in good original condition and the oak has a wonderful patina. The drawers are clean and tidy and all open smoothly. There are some general signs of age and use, some minor marks and light knocks but nothing detrimental and overall it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
