Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look particularly well waxed in a hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two small doors with one panel and a moulding around the edge. Behind the doors there are shelves. The shelves are not fixed so you could place more in if required. There is an original key to lock the door. The sides have fluted columns and carved corbels. Above is one large drawer. The drawer has a moulding around the edge and original brass handles. The drawer is pine lined and has dovetail joints. The top is in good condition with a bull nosed edge. The height is 82cm, the width is 64cm and the depth is 43cm.
