Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. This is in one piece. If this is to go upstairs your staircase needs to be straight with no turns. It is also extremely heavy and therefore I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two doors. The doors have two panels with a lovely moulding around the edge. Behind the doors there are shelves. The shelves are not fixed so you could place more in if required. There is a key to lock the door. The top has a standard graduated cornice. There are fluted columns and carved corbels to the sides. The height is 173cm, the width is 120cm and the depth is 52cm.
