Description

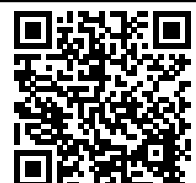

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look particularly great in any room for storage. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one door that stands on its original pin hinges which is a nice feature. The door has one panel and a metal vent to the middle. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. There is a key to lock the door. The top has a standard graduated cornice. The height is 106cm, the width is 83cm and the depth is 43cm.
