Description

This dresser base is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The dresser base would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in an unfitted kitchen or a living room with a flat screen TV on top. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two doors. Each door has one panel with a moulding around the edge. There is a key that locks the door. Behind the doors there are shelves for storage. Above the doors there are two drawers with round turned wooden knobs. The drawers are pine lined and have dovetail joints. The top is in good condition with a slight bull nosed edge. There are fluted columns to the sides. The height is 88cm, the width is 112cm and the depth is 50cm.
