Description

A good example of an antique silver handled page turner with a beautiful mother of pearl turner. The handle is nicely shaped and decorated on both sides in ornate repousse swirls. It is hallmarked for Birmingham, 1908. It is in good condition for its age. There are some minor surface marks and signs of age and use but nothing detrimental. It displays beautifully but is also a very usable piece. Approximate Measurements : Length : 8 1/4" / 21cm Bowl : 1" / 2.5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
