Description

A good example of an antique silver handled page turner. The turner itself is bone and there is a small pencil holder with its original pencil in the end of the handle. It is stamped with the maker's name S.Mordan & Co and also stamped "Sterling Silver". The handle is engraved "Captain Lyon R.N. Xmas 1906". It is in good condition for its age. There are some minor surface marks, a small dent in the handle and some discolouration to the turner but nothing detrimental. It displays well but is also a very usable piece. Approximate Measurements : Length : 10 1/4" / 26cm Width : 1/2" / 1.5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
