Description

A quirky miniature silver handled moustache brush. The handle nicely decorated with engine turned decoration and a round cartouche. It is clearly hallmarked for Birmingham, 1917, Syner & Beddoes. It is in good condition for its age. There are signs of age and use, some minor surface marks and small knocks but nothing detrimental and the original brush hairs are in good order. It is a very nice decorative piece but also a good usable object too. The silver has been gently cleaned and polished and it displays well. Approximate Measurements : Length : 3 1/2" / 9cm Width inc Bristles : 1" / 2.5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
