Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage in a large bedroom. It is in one piece so if it is to go up stairs your staircase needs to be straight with no turns. It is very heavy and I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two doors. The doors have one smaller bottom panel and larger top panel with a lovely moulding around the edge. There are fluted columns aswell as carved corbles to the ends aswell as the middle. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. There is a key to lock the doors. The top has a standard graduated cornice. The height is 174cm, the width is 120cm and the depth is 53cm.
