Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage in a large bedroom. It is in one piece so if it is to go up stairs your staircase needs to be straight with no turns. It is very heavy and I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two doors. The doors have one panel with a lovely angled moulding around the edge. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. There is a drawer to the bottom which is a nice feature. The drawer is pine lined and has a ring pull to the centre. There is a key to lock the doors. The top has a standard graduated cornice. The height is 168cm, the width is 105cm and the depth is 48cm.
