## Description

Gents 1960s Seiko Sportsman Diashock wrist watch. The watch has a calibre 4361 17-jewel hand-winding movement which is working nicely. The watch is a good size at 36mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in lovely condition. The back of the watch has the sea horse logo which relates to the original waterproof claim however, as with any vintage watches, it should now be kept away from water and moisture. The lens is in lovely condition. The signed dial is in very nice original condition with original hands, centre seconds hand and outer minute markers. A new leather strap has been fitted.
