Description

Edwardian Inlaid Mahogany Carlton House Desk with Satinwood Oval Panels & Green Leather Writing Surface

A superb Edwardian inlaid mahogany Carlton House desk, expertly crafted in the elegant Carlton House style and dating from the early 20th century. This distinguished desk combines exceptional craftsmanship with practical functionality, featuring a beautifully arranged superstructure of drawers and cupboards above a spacious green leather writing surface. There is a pierced brass gallery to the top. The upper section is fitted with an attractive arrangement of small drawers flanked by curved cupboard doors, each decorated with striking oval satinwood panels. These satinwood ovals are repeated on the sides of the desk, creating a balanced and highly decorative design. The desk stands on elegant tapering legs terminating in brass castors and offers generous storage through its central frieze drawer and two additional side drawers. Unlike many examples, this desk is fully polished on all sides, allowing it to be positioned freely within a room rather than against a wall. The rich mahogany grain, fine stringing and inlaid details are ...
