Description

1940s Smiths pocket watch and box. The watch has an English stem-winding movement which is working nicely. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made in England. The case is in good condition, as is the glass lens. The signed painted dial has blued steel hands, a subsidiary seconds dial and outer minute markers. There is age related cracking to the paint finish. The watch comes in its original Smiths box, labelled for a gold colour watch.
