## Lighting- Arts & Crafts Brass Ceiling Light, circa 1910

Price

**Reserved****Item Reference: SA1219756****Date of manufacture: 1910**

Dimensions

Height = 59 cm (23.2")

Width = 45 cm (17.7")

## Description

A rare example, complete with its original delicately decorated cranberry glass shades, and original ceiling rose. Even the bulb holders are original, stamped 'MEM made in England'.... Professionally re wired with traditional style silk braid, the bulb holders refurbed and upgraded with an internal earth strap, PAT safety tested, complete with bulbs ready to install and enjoy. Height: Its current height (drop) from ceiling rose to bottom of the shades is 59cm. However, this can be reduced or lengthened by adjusting the cable. Width: From outside edge of shades, approximately 45cm. MEM: 'Midland Electric Manufacturing' founded in Birmingham 1908.

Internal Ref: 26820
