Description

A Nice Set of 12 Antique Silver Plated Lobster Picks, designed for eating lobster and other shellfish at the table. Each pick has a long, slim stem ending in a small two-prong fork, ideal for extracting meat neatly from shells. The handles are decorated with an oval relief medallion featuring a lobster motif, adding a fitting maritime detail – circa 1920. * A proper lobster course feels complete when the right tools are set beside the plate! Measurements: Length: 7 1/2" (approx. 19cm) Total weight: 382g In good condition – There is only light surface wear consistent with age and gentle use.
