Description

This is a fabulous example of a vintage mens watch made by the premium Swiss make Omega. This is the stainless steel Seamaster Deville with fully automatic calibre 562 movement. The satin black dial has just been professionally restored and it looks like it just left the factory. Its in superb condition and the Seamaster logo on the back of the case is bright and crisp. It is fully marked Omega on the dial, movement and case as you would expect. The case has been professionally cleaned and polished so it is absolutely pristine. The watch case measures 35mm in diameter not including the crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition a very nice example of this iconic Omega. We can fit any colour or style of strap we keep most things in stock. The watch has been fully serviced and comes with a one year warranty. We offer a highly personalised and bespoke service.
