Description

A charming antique pine organ bench with a long, narrow form and attractive country character. Traditionally used as a chapel organ bench, it now makes an excellent side table, hallway bench, window seat or display stand. Constructed in solid pine, the bench features shaped end supports joined by a stretcher rail, secured with through-tenon construction and decorative wedge details. The warm honey-toned finish highlights the attractive grain and natural character of the timber. Item Reference: M-6853

Internal Ref: M-6853
