An Antique Treen Fish Shaped Knitting Sheath

Price

GBP 170

| USD \$230 | EUR 199

Item Reference: SA1219985

Date of manufacture: 19th Century

Description

This lovely 19th century novelty knitting sheath is carved in the shape of a fish. Note the diagonal groove on one side for attaching the strings to the belt. This was probably made by a fisherman in the Whitby or North Yorkshire coastal area. It measures 18cm l x 4cm w at the widest point including a fin.
