Description

This is a beautiful Empire revival malachite and walnut, patinated bronze-decorated and parcel gilt coffee table, early 20th Century in date. The table with a striking circular quarter veneered sunburst malachite top raised on four seated winged sphinx supports, each terminating in a stepped plinth base. There is no mistaking its unique quality and striking design, which is certain to make this table a talking point in your home and add a sparkle to your reception room. Condition: In excellent condition, please see photos for confirmation. Dimensions in cm: Height 41 cm x Width 99 cm x Depth 99 cm Dimensions in inches: Height 1 foot, 4 inches x Width 3 foot, 3 inches x Depth 3 foot, 3 inches Malachite is an opaque, green-banded mineral. It is believed to be a strong protector of children. It protects the wearer from accidents and protects travellers. Malachite has been used to aid business success and protect against undesirable business associations. It is a stone of balance in relationships. Malachite is always green, usually in banded tones varying from very dark green to a mellow green. Most malachite comes from Zaire, Chile, and Australia. Ancient Egyptians, ...
