Description

This is a very fine and beautiful example of a ladies cocktail wristwatch made by the world renowned premier Swiss maker Omega. This is Omegas top of the range solid 14ct Hooded Diamond watch they are very rare indeed. The solid gold spring loaded dial cover is of stylised palm leaves with diamond accents. The movement is Omega's calibre 650 the smallest grade ladies movement of this period. The movement serial number dates this watch to 1966 perfect for someone celebrating a 60th birthday this year. The case and bracelet are solid 14ct gold, the bracelet is full length and fits a wrist size of up to 6 1/2 inches 16.5 cm. It has a three position double safety clasp and also has safety chain rings already fitted. Everything is totally original all we have done is service the movement and ultrasonically clean the case and bracelet. It comes with its original box. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked 14k. The watch case measures 18mm in diameter not including the crown. Overall this watch is in mint as new condition and looks as if it was hardly ever worn, it would certa...
