Price

Sold**Item Reference: SA1220098****Date of manufacture: 19th Century**

Dimensions

Height = 9 cm (3.5")

Depth = 8.8 cm (3.5")

Description

An Italian silver gilt and marble Grand Tour desk weight, circa. late 19th century. The carved sienna marble base is surmounted with a silver gilt infant on a bed, possibly after 'The Birth Of The King Of Rome'. Italian hallmarks to the mount. There are some signs of wear commensurate with age throughout, namely a few small chips to the marble in places and tarnishing to the gilt but overall the piece displays well. Dimensions:- Length: 9.75cm Width: 8.75cm Height (approx): 9cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.
