Price

GBP 115

| USD \$156 | EUR 135

Item Reference: SA1220108

Date of manufacture: 19th Century

Description

Beautiful antique wooden cupboard featuring detailed pokerwork floral designs throughout. A charming decorative piece with plenty of character, ideal for use as a bedside cupboard, hallway storage cabinet or accent piece in a traditional or country style interior. The intricate floral pokerwork detailing gives this piece a unique handcrafted appearance, complemented by its warm aged wood tones and practical storage space within. Condition is consistent with age and use with signs of wear, marks and patina that add to its antique character. Please study all photographs carefully as they form part of the description. Approximate dimensions: Height: 87 cm Width: 47 cm Depth: 35 cm A lovely and functional antique piece that would suit a wide range of interiors.
