Description

Bring a rare piece of island nature into your space with this unique Coco de Mer shell, a striking botanical treasure from the Seychelles. Known as the “sea coconut,” the Coco de Mer is famous for its extraordinary shape, deep natural tones, and sculptural beauty. Each piece is naturally formed with its own texture, markings, and character, making it a one-of-a-kind decorative object. Carefully crafted as a display piece, it adds an elegant touch to luxury interiors, collections, offices, or curated home décor.
