Description

Late 19th / Early 20th Century Antique Library Table A beautifully crafted late 19th to early 20th century library table, showcasing the elegance and craftsmanship of the period. This refined piece features a warm aged oak wood finish, a spacious rectangular top with rounded ends, and a classic architectural design that makes it a striking addition to a traditional study, library, office, or living space. The table is supported by finely turned legs with carved detailing, finishing on brass/ceramic castors, and connected by sturdy stretchers for both stability and visual appeal. Multiple drawers provide practical storage while maintaining the balanced proportions and graceful character typical of period furniture. With its rich patina, timeless silhouette, and signs of age that reflect its history, this antique library table offers both functionality and collectible charm.
