Description

A Nice Antique WMF Oval Biscuit Box or sweet jar with a cut glass body and a silver plated mount and handle. The glass is deeply cut with starburst and geometric panels, giving strong light-catching brilliance from every angle. The silver plated collar and lid create a clean contrast against the crisp clarity of the cut glass. The piece is marked for WMF, Württembergische Metallwarenfabrik, a well-known German maker of high quality plated wares – circa 1900. * Cut glass like this turns even an everyday biscuit into a small occasion. Measurements: Height with handle up: 7 3/4" (approx. 20cm) Width: 7 3/4" (approx. 20cm) Depth: 5" (approx. 12.5cm) Total weight: 1966g In good condition – There are no chips or cracks to the glass. The Silver Plate shows only light surface wear consistent with age and gentle use.
