Description

This extremely rare antique watch chain is made of 18ct yellow gold and platinum, featuring interlocking, elongated bar links. It is completed with an 18ct gold and platinum dog clip and a bolt ring fastening. This unique watch chain measures 15" in length and can be worn as a necklace or doubled up as a bracelet depending on the size of your neck. METAL 18ct Yellow Gold - Niton DXL Machine Tested Platinum - Niton DXL Machine Tested Extra links - 11ct - NITON DXL Tested MEASUREMENTS Measures 15" in wearing length Measures 2.4mm across the links Bolt ring measures 9.13mm across Dog Clip measures 1.7cm x 0.6cm WEIGHT 12.56 grams HALLMARKS Dog Clip - 18CT&PT CONDITION This highly sought-after antique watch chain is in good condition for its age. The links do have some slight thinning, and please note that extra rings have been added towards the bolt ring, presumably to lengthen the chain to a wearable length. Both fastenings are functioning perfectly. Overall, this rare gold-and-platinum watch chain would be a fantastic investment and a wonderful addition to any antique jewellery collection.
