Description

Antique Brass Bound Campaign Pedestal Desk with Leather Inset Top & Tooled Leather Slides A handsome antique brass bound campaign pedestal desk, crafted in the traditional military campaign style and constructed in three separate sections for ease of movement and installation. Combining practicality with timeless elegance, this exceptional desk features a rich mahogany finish, extensive brass mounts and a classic leather writing surface. The desk is formed from a central top section and two pedestals, each fitted with a pull-out slide lined with beautifully tooled leather, providing additional workspace when required. The inset leather writing surface to the top offers both comfort and sophistication, making it ideal for everyday use in a study, library or home office. Authentic campaign furniture details can be seen throughout, including brass corner protectors, recessed brass campaign handles and brass protective edging around the plinth bases. The generous arrangement of drawers provides ample storage, while the three-piece construction reflects the practical design principles of campaign furniture originally made for travel and deployment. A striking and functional pi...
