Description

"Unusual to find one of these revolving bookcases in walnut, as they are more commonly found in veneered mahogany. This piece retains its original finish to the top with good patination and colour. Each side has four slats and three shelves. The top shelf is the narrowest, measuring 21 cm high. The middle shelf measures 26 cm high, and the bottom shelf 31 cm high. All shelves are 38 cm wide and 18 cm deep. The bookcase is made from solid walnut and is in original condition. It has recently been cleaned, polished, and waxed, and stands on its original revolving base with china casters." sku 3975 "ABOUT US: Based in South Oxfordshire we are a family business and are proud of our reputation, built over 25 years.
