Description

A handsome set of eight Victorian-style mahogany dining chairs, comprising six standard dining chairs and a pair of matching carver armchairs. The chairs are raised on elegant ring-turned and fluted front legs, with swept rear legs providing both stability and graceful proportions. Designed in the classic Victorian balloon-back style, each chair features a finely carved central splat, adding decorative interest and character. The carver chairs are distinguished by shaped arms and shaped uprights, offering additional comfort and presence at the head of the table. The seats are of traditional stuff-over construction and have been recently reupholstered in a high-quality fabric, complementing the rich mahogany frames and ensuring comfort for everyday use or formal dining occasions.
