Pair of Mahogany Dentists or Laboratory Chests of Drawers

Price

Sold

Item Reference: SA1220444

Date of manufacture: 1930

Description

A pair of Vintage mahogany dentist's instruments chests, probably 1920-1930, fitted with three graduated drawers, the top drawer with removable ribbed glass insert for holding the instruments and with brass carrying handles to either side. These are heavyweight and beautifully made chests with dovetailed joints. The brass handles are replacements. They were apparently originally in the dental department of UCL. Each 22cm high, 45cm wide, 32cm deep.
