Description

Antique Victorian Pine Cupboard Wardrobe – Tall Storage Cabinet Linen Press H187cm A handsome antique Victorian pine cupboard wardrobe, offering excellent proportions and versatile storage. Constructed in solid pine, this piece reflects the simple yet functional design typical of the Victorian period, making it ideal for both traditional and contemporary interiors. With its tall, practical form, this cupboard/wardrobe would have originally served as a linen press or general storage cabinet. Today it works beautifully as a clothes storage solution, hallway cupboard, or kitchen larder-style piece, depending on your needs. The pine has developed a warm, natural patina over time, with age-related marks and wear consistent with its antique character, all adding to its authentic charm and appeal. Dimensions: H: 187 cm W: 85 cm D: 46 cm A strong, functional and decorative Victorian storage piece that offers both practicality and timeless rustic style.
